1. Attached is requested copy of report to CV L by MOEBIUS. ZIPPER has commented that there are some discrepancies between story told by MOEBIUS and those related by WEHLEN and SCHULZ.

NOTE: Just by way of gloss on reliability of MOEBIUS: He told CV L that Erich Isenstead, of US Consulate, Munich, had approached him and tried to recruit him for the IS of the consulate!

2. Attached is copy of memo # 1615, report on the "KORNETT" branch of this case. Also attached for COS is one copy of original chart of KORNETT case. ZIPPER has stated that some changes are necessary to bring the chart up-to-date in correct form (we trust that Spicer will examine carefully any of the changed items). The corrected chart will be forwarded upon receipt.

3. Detailed analysis of the attached reports is not possible here at this time, so we are passing on the material for Spicer.

4. ZIPPER is willing to have case turned over to VB.
